

# SHRED YOUR IDENTITY

(Before someone else does!)

Identity theft continues to top the Federal Trade Commission's national ranking of consumer complaints - approximately 15 million U.S. residents have their identities used fraudulently each year. Properly disposing of personal documents is a necessary step in safeguarding and protecting your personal information and credit and preventing identity theft.

Hudson County residents are invited to have personal confidential and/or sensitive documents shredded at free, on-site, mobile paper-shredding events:
